

**CLARIFICATION, CONCLUSION AND RECOMMENDATION  
ON QUESTION FOR WHICH OBSERVATION RECEIVED FOR THE POSITION OF CHO, NHM, MP  
WRITTEN TEST HELD ON DECEMBER 6, 2020**

| # | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection   | Remarks  | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|---|--|-------------|-----------|-----------------------|--|---|--|
| 1 | 13119                                  | 201         | 803       | Given answer is wrong | FOR STUDY OF HEALTH SITUATION AND ANALYSIS WE USE DEMOGRAPHIC FACTORS  |   | Kindly refer: K. Park Page No 954<br>Hence, SME concluded that no further changes and correction is required.  |
| 2 | 15736                                  | 202         | 806       | Given answer is wrong | READING HINDI PROBLEM  |   | As per OWT instruction, In case any discrepancy exists between the Hindi and English Question, the English version of question shall be considered correct |
| 3 | 12844                                  | 202         | 806       | Given answer is wrong | ANSWER IS WRONG THE RIGHT ANSWER OPTION ID IS 807  |   | Kindly refer: K. Park Page No: K. Park Page no 958 – 959<br>Hence, SME concluded that no further changes and correction is required.                       |
| 4 | 10632                                  | 202         | 806       | Given answer is wrong | ASHA CAN'T GIVE DOTS, THEN WHY THIS OPTION IS NOT RIGHT  |   | Kindly refer: K. Park Page No: K. Park Page no 958 – 959<br>Hence, SME concluded that no further changes and correction is required.                       |
| 5 | 10572                                  | 202         | 807       | Given answer is wrong | PROVIDE DOTS TREATMENT FOR TUBERCULOSIS IS NOT THE RESPONSIBILITY OF ASHA, IS A RESPONSIBILITY OF MEDICAL PRACTITIONER |   | Kindly refer: K. Park Page No: K. Park Page no 958 – 959<br>Hence, SME concluded that no further changes and correction is required.                       |
| 6 | 10572                                  | 204         | 815       | Given answer is wrong | CRAWLING IS A MORE SPECIFIC GROSS MOTOR DEVELOPMENT OF 6-8 MONTH OLD INFANT, AS COMPARE TO SITE WITHOUT SUPPORT        | <a href="http://mpnhmdec2020ats.cbtextam.in/Objection/52_OAN.jpg">http://mpnhmdec2020ats.cbtextam.in/Objection/52_OAN.jpg</a> | Kindly refer: K. Park Page No. 597<br>Hence, SME concluded that no further changes and correction is required.   |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                    | Remarks  | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|--|--|---|--|
| 7  | 11439                                  | 204         | 815       | BOTH OPTION ID 814 AND 815 ARE CORRECT | IN OPTION ID 815 THAT IS CHILD CAN CRAWL IN 6-8 MONTHS OF AGE AND ALSO HOLD UP HEAD AT 6 MONTHS OF AGE . AT THE SAME PERIOD OF TIME CAN SIT WITHOUT SUPPORT THAT IS BETWEEN 6-8 MONTHS OF AGE SO THE OPTIONS ARE VERY VAGUE AND DO NOT CLEARLY CORRESPOND TO AGE DURATION MENTIONED. | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/11_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/11_OAN.jpg</a> | Kindly refer: K. Park Page No. 597 Hence, SME concluded that no further changes and correction is required.  |
| 8  | 15936                                  | 204         | 815       | CRAWLING BHI KAREGA                    | OPTION CRAWLING BHI CORRECT H CHILDREN 6 TO 8 MONTH PAR CRAWLING BHI KARTA H   |   | Kindly refer: K. Park Page No. 597 Hence, SME concluded that no further changes and correction is required.  |
| 9  | 11079                                  | 204         | 816       | Given answer is wrong                  | ?? ?? INFANT 8 MONTH K BAD WITHOUT SUPPORT M AATE HAI..PR OPTION M 6-8 HAI ESME TOH CRAWNING AAYEGA NA   | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/27_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/27_OAN.jpg</a> | Kindly refer: K. Park Page No. 597 Hence, SME concluded that no further changes and correction is required.  |
| 10 | 13119                                  | 204         | 814       | Given answer is wrong                  | AT AROUND 3-6 MONTHS CHILD IS ABLE TO SIT WITHOUT SUPPORT BUT AT 6-8 MONTHS CHILD STARTS CRAWLING SO THE CORRECT ANSWER IS OPTION 815 (CRAWLING)   |   | Kindly refer: K. Park Page No No 597 Hence, SME concluded that no further changes and correction is required.  |
| 11 | 13119                                  | 208         | 830       | Given answer is wrong                  | WHEN TWO CHILD PLAY ALONE BUT ARE PRESENT IN THE SAME ROOM IT IS CALLED PARALLEL PLAY  |   | Playing alone with toys different from other children in an area is called solitary playParallel play is playing with similar toys and not interacting with each other. Kindly refer Wongs nursing care of childrene. Hence, SME concluded that no further changes and correction is required. |
| 12 | 10572                                  | 208         | 830       | Given answer is wrong                  | IN THIS PARALLEL IS MORE COMMONLY SEEN   |   | Playing alone with toys different from other children in an area is called solitary playParallel play is playing with similar toys and not interacting with each other. Kindly refer Wongs nursing care of childrene. Hence, SME concluded that no further changes and correction is required. |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                | Remarks   | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|------------------------------------|---|---|--|
| 13 | 11879                                  | 208         | 830       | Given Question is Wrong/ Incorrect | AS PER QUESTION CHILD ENJOY OTHERS PRESENCE BUT IN SOLITARY PLAY CHILD NOT ENJOY OTHERS PRESENCE HE OR SHE ONLY FOCUS HIS,HER OWN PLAY ONLY SO ACCORDING TO ME ANSWER AND QUESTION NOT MATCH IN THAT SITUATION MY CORRECT ANSWER IS ONLOOKER PLAY |   | Playing alone with toys different from other children in an area is called solitary playParallel play is playing with similar toys and not interacting with each other. Kindly refer Wongs nursing care of childrene. Hence, SME concluded that no further changes and correction is required. |
| 14 | 10632                                  | 208         | 830       | Given answer is wrong              | I THINK IT SHOULD BE PARALLEL PLAY  |   | Playing alone with toys different from other children in an area is called solitary playParallel play is playing with similar toys and not interacting with each other. Kindly refer Wongs nursing care of childrene. Hence, SME concluded that no further changes and correction is required. |
| 15 | 15582                                  | 212         | 848       | Given answer is wrong              | REFERENCE - TEXTBOOK OF MANAGEMENT OF NURSING SERVICES AND EDUCATION FOR BSC NURSING BY BHAWNA PUBLICATIONS   | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/60_OA_N.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/60_OA_N.jpg</a> | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test   |
| 16 | 10219                                  | 212         | 846       | Given answer is wrong              | BECAUSE ITS ASKED "ROLES ASSIGNMENT AFTER APPOINTING "  |   | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test   |
| 17 | 10219                                  | 219         | 874       | Given answer is wrong              | AS ANURIA IS NO FORMATION OF URINE AND IN OPTIONS LESS THAN 100ML IS AVAILABLE..  |   | Kindl refer Joyce M black medical surgical nursing book definition of anuria. 100 ml per day is correct answer. Hence, SME concluded that no further changes and correction is required  |
| 18 | 10219                                  | 219         | 874       | Given answer is wrong              | AS ANURIA IS NO FORMATION OF URINE AND IN OPTIONS LESS THAN 100ML IS AVAILABLE..  |   | Kindl refer Joyce M black medical surgical nursing book definition of anuria. 100 ml per day is correct answer. Hence, SME concluded that no further changes and correction is required  |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                | Remarks   | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS  |
|----|--|-------------|-----------|------------------------------------|---|---|---|
| 19 | 10001                                  | 219         | 874       | Given answer is wrong              | THE ADULT ANURIA IS REFERS TO URINE OUTPUT LEES THAN 50 ML NOT ACC TO TEXT BOOK OF MEDICAL AND SURGICAL NURSING BURNER & SUDDARTHS  | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/41_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/41_OAN.jpg</a> | Kindl refer Joyce M black medical surgical nursing book definition of anuria. 100 ml per day is correct answer. Hence, SME concluded that no further changes and correction is required |
| 20 | 11879                                  | 225         | 900       | Given Question is Wrong/ Incorrect | DEAR SIR,MAM AS YOU ASK IN QUESTION ABOUT TEST BUT MICROSCOPE IS A INSTRUMENT NOT A TEST IF THERE IS MICROSCOPIC EXAMINATION THEN IT IS CORRECT ACCORDING TO YOU HEMOGLOBIN NOT DONE IN MALARIA BUT ONE ANOTHER THING WHICH MAY NOT ESSENTIAL HERE BUT I WANT TO SAY HEMOGLOBIN TEST COMES UNDER CBC WHICH IS NOT PARTICULARLY FOR MALARIA BUT WE SUGGEST FOR THE PATIENT,S GENERAL CONDITION IN MALARIA SO MY POINT IS ABOUT MICROSCOPE WORD IS NOT CORRECT SO MY QUESTION WRONG BECAUSE I CHOOSE MICROSCOPE |   | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test                            |
| 21 | 11079                                  | 225         | 900       | Given answer is wrong              | ESME QUE.EXCEPT M THA...MALARIA KA EXCEPT ANS. MICROSCOP HOGA NA  | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/28_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/28_OAN.jpg</a> | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test                            |
| 22 | 10874                                  | 225         | 899       | Given answer is wrong              | QAUTION NO 25 MICROSCOPE IS CORRECT ANSWER  | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/24_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/24_OAN.jpg</a> | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test                            |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                     | Remarks  | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|---|--|---|--|
| 23 | 10774                                  | 225         | 900       | Given answer is wrong                   | GIVEN ANS IS WRONG BECAUSE OPTION ID 899 "MICROSCOPE " SHOULD BE THE ANSWER AS EVERYONE KNOWS VERY WELL THAT MICROSCOPE IS CONSIDERED AS A INSTRUMENT NOT AS A TEST. INSTEAD OF MICROSCOPE IF THEY HAVE GIVEN MICROSCOPIC TEST, IN THAT CASE CLEARLY THE ANS WILL BE OPTION ID 900 "HAEMOGLOBIN TEST" . HOPE U CONSIDER IT THAT SPELLING MISTAKE CAN ALSO CHANGE THE PERSPECTIVE OF CANDIDATE TO THINK. TY   |   | Review committee concluded with a recommendation of scrapping this question and award of 1 marks to each candidate who have attended the online written test   |
| 24 | 15562                                  | 240         | 960       | OBJECTION ID 957 & 960 BOTH ARE CORRECT | OBESITY ,DIABETES & CONGENITAL HEART PROBLEM ALSO A CONTRIBUTING FACTORS FOR CAUSATION OF CARDIOVASCULAR DISEASE BECAUSE OBESITY LEADS TO INCREASE IN CHOLESTEROL LEVEL THAT LEADS TO ATHEROSCLEROSIS THAT LEADS TO CORONARY ARTERY DISEASE ,DIABETES LEADS TO SILENT ANGINA WHICH FURTHER CONVERT INTO CORONARY ARTERY DISEASE & CONGENITAL HEART PROBLEM SUCH AS TRICUSPID ATRESIA ,VENTRICULAR SEPTAL DEFECT ,ATRIAL SEPTAL DEFECT ETC ALSO LEADS TO CORONARY ARTERY DISEASE, PLEASE ADD THIS OPTION ALSA A RIGHT | <a href="http://mpnhmdec2020ats.cbtextam.in/Objection/8_OAN.jpg">http://mpnhmdec2020ats.cbtextam.in/Objection/8_OAN.jpg</a> | As per our Subject Matter Expert, All options are tricky and Option ID 957 is one of the suitable and appropriate option for reason which contribute the factor for causation of cardiovascular disease. Kindly refer the link: <a href="https://www.who.int/news-room/fact-sheets/detail/cardiovascular-diseases-(cvds)">https://www.who.int/news-room/fact-sheets/detail/cardiovascular-diseases-(cvds)</a> . Hence, SME concluded that no further changes and correction is required. |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                          | Remarks  | Ref Attached (by Candidate) | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|--|--|-----------------------------|--|
| 25 | 15582                                  | 240         | 960       | OPTION ID 957 AND 960 BOTH SHOULD BE CORRECT | CONGENITAL HEART DISEASES LIKE TERATOLOGY OF FALLOT AND DIABETES MELLITUS ARE ALSO RISK FACTORS FOR CARDIOVASCULAR DISEASE AS THESE CAUSE IMMUNODEFICIENCY WHICH CAN LEAD TO INFECTION LIKE ENDOCARDITIS AND MYOCARDITIS   |                             | As above   |
| 26 | 10632                                  | 243         | 970       | Given Question is Wrong/ Incorrect           | QUESTION WAS SOMETHING ELSE IN EXAM TIME AND NOW QUESTION IS SOMETHING ELSE  |                             | No changes in Question which ID is 243, confirmed from log as well.  |
| 27 | 10572                                  | 243         | 969       | Given Question is Wrong/ Incorrect           | QUESTION WILL BE CHANGE IN ANSWER KEY IN EXAM QUESTION IS DIFFERENT  |                             | No changes in Question which ID is 243, confirmed from log as well.  |
| 28 | 10774                                  | 243         | 969       | Given answer is wrong                        | THE CORRECT DEFINITION OF PALLIATIVE CARE CONSIST THE WORD " LIFE THREATENING " INSTEAD OF "LIFE TREATMENT".. WORD "LIFE TREATMENT" COMPLETELY CHANGE THE MEANING OF PALLIATIVE CARE. FOR EXAMPLE DIABETIC PATIENTS ALSO NEED LIFE TREATMENT. SO PLEASE CONSIDER THIS ERROR. |                             | Life-limiting illness/ Life Treatment illness/ Life Threating illness is a same term used to describe an incurable condition and doesn't change the meaning of the question.<br>Hence, SME concluded that no further changes and correction is required. |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                               | Remarks   | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|---|---|---|--|
| 29 | 12243                                  | 243         | 969       | All options are Incorrect                         | THE OPTION 969 STATES THAT PALLIATIVE CARE IS AN APPROACH TO IMPROVE QUALITY OF LIFE OF PATIENTS AND THEIR FAMILY WHO ARE FACING LIFE TREATMENT ILLNESS. HERE LIFE THREATNING ILLNESS OR LIFE LONG ILLNESS SHOULD HAVE COME IN THE OPTION. THIS LIFE TREATMENT ILLNESS MAKES THIS OPTION AMBIGUOUS. THE OPTION 970 STATES PALLIATIVE CARE IS AN APPROACH TO QUALITY OF LIFE OF PATIENT WITH TERMINAL CANCER. HERE IMPROVE WORD IS MISSING BEFORE QUALITY BUT STILL THE TERMINAL WORD SUGGESTS THIS OPTION TO BE THE | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/32_OA_N.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/32_OA_N.jpg</a> | As above   |
| 30 | 15962                                  | 243         | 970       | OPTION 970 IS CORRECT BUT OPTION 971 ALSO CORRECT | PALLIATIVE CARE GIVEN TO CANCER PATIENTS AND OPTION FIRST ARE ALSO RIGHT  |   | Option ID 971 "Is an approach to quality of life of patients with terminal cancer" is a tricky option, has just been mentioned quality of life of patients, no mention about improvement or degradation etc. Hence Option ID 917 is not the right answer. Hence, SME concluded that no further changes and correction is required. |
| 31 | 15562                                  | 245         | 980       | Given answer is wrong                             | ANSWER SHOULD BE 1980 BECAUSE NATIONAL FAMILY WELFARE CHANGE THEIR NAME IN 1977 & IT IS APPROX TO 1980 & IN GIVEN QUESTIONASK ABOUT THE FAMILY HEALTH & WELFARE PROGRAMME NOT THE FAMILY PLANNING & WELFARE PROGRAM   | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/10_OA_N.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/10_OA_N.jpg</a> | Question was asked that National Family Health and welfare program started in India, not redesignated/ redesigned/ renamed. Hence, SME concluded that no further changes and correction is required.   |

| #  | Observation by Candidate (Roll Number) | Question ID | Option ID | Nature of Objection                   | Remarks   | Ref Attached (by Candidate)   | Clarification, Conclusion and Recommendation from SME and Review Committee of SAMS   |
|----|--|-------------|-----------|---------------------------------------|---|---|--|
| 32 | 11879                                  | 246         | 982       | Given answer is wrong                 | DEAR SIR ,MAM AS PER QUESTION THE WORD ACCELERATES SHOWS THE DISEASE ALREADY PRESENT ,TUBERCULOSIS ONLY ACCELERATES THE PROGRESSION OF DISEASE SO MY CORRECT ANSWER IS ASTHMA BUT YOU CONSIDER HIV AS I KNOW HIV COMMON AFTER TUBERCULOSIS BUT IN QUESTION ABOUT PROGRESS OF DISEASE ITS MEANS DISEASE ALREADY PRESENT SO ANSWER SHOULD BE ASTHMA PLEASE TRY TO UNDERSTAND ME |   | Tuberculosis bacteria accelerates the progression HIV/AIDS. Kindly refer a journal of WHO from link: <a href="https://www.who.int/3by5/TBfactsheet.pdf?ua=1">https://www.who.int/3by5/TBfactsheet.pdf?ua=1</a> .Hence, SME concluded that no further changes and correction is required. |
| 33 | 16007                                  | 249         | 995       | Given answer is wrong                 | HI, ACCORDING TO YOUR ANSWER OPTION- 1 IS CORRECT ,ID-993 BUT ACCORDING TO MY OPINION OPTION -C IS CORRECT BECAUSE IN THIS OPTION YAWS DISEASE IS INCLUDED WHICH IS ERADICATED FRIM INDIA..IF YAWS IS DIAGNOSED THAN THIS IS NOTIFIABLE DISEASE   | <a href="http://mpnhmdec2020ats.cbtxam.in/Objection/29_OAN.jpg">http://mpnhmdec2020ats.cbtxam.in/Objection/29_OAN.jpg</a> | Kindly refer the link of a webpage of WHO" <a href="https://www.who.int/neglected_diseases/news/India_fre_e_of_yaws/en/">https://www.who.int/neglected_diseases/news/India_fre_e_of_yaws/en/</a> Hence, SME concluded that no further changes and correction is required.                |
