

JOB DESCRIPTION

Programme Assistant-Tobacco Control Cell (PA-TCC), JRHMS, (1 Vacancy)

1. POSITIONS VACANT: Programme Assistant-Tobacco Control Cell (PA-TCC), JRHMS, (1 Vacancy)

2. ORGANIZATION BACKGROUND:

The National Health Mission (NHM) was launched with a view to bringing about dramatic improvements to the health system and health status of people, especially those who live in the rural areas of the country. The Mission seeks to provide universal access to equitable, affordable and quality health care which is accountable at the same time responsive to the needs of the people, reduction of child and maternal deaths as well as population stabilization, gender and demographic balance. In this process, the Mission helps achieve goals set under the National Health Policy and the Millennium Development Goals.

Jharkhand Rural Health Mission Society is committed to provide accessible, affordable and accountable quality health services to the last person of the last household of the last village. The thrust of NRHM is on establishing a fully functional, community owned, decentralized health delivery zed health delivery system with inter sectoral convergence at all levels, to ensure simultaneous action on a wide range of determinants of health like water, sanitation, education, nutrition, social and gender equality. Institutional integration within the fragmented health sector is expected; to provide the focus on outcomes, measured against Indian Public Health Standards for all health facilities.
